

**GRUPO ENERGÍA
DE BOGOTÁ**

RELEVANT INFORMATION

Empresa de Energía de Bogotá (EEB), holding company of Grupo de Energía de Bogotá reports that through Consorcio Transmantaro (CTM), which holds a 40% stake and ISA holds a 60% stake in CTM, was the winner of a new power transmission line in Peru.

The Public notice will allow CTM to develop the design, financing, construction, operation and maintenance of a transmission line 220 kV, which will strengthen demand in Lima in a timely manner.
